

NEW JERSEY INVENTORS HALL OF FAME (NJIHoF)

Nomination Categories and Requirements

Nominees MUST have either been a resident of New Jersey and/or completed the majority of their inventive/innovated work while employed in New Jersey.

Categories and requirements;

The Nomination Form and category data must be completed and submitted by May 1st of the year to be considered. Nominations received after May will be considered the following year. Currently seven (7) award categories exist for which candidates may be nominated.

1. **Hall of Fame** (six awards maximum per year, two of which may be designated Pioneers)
 1. Lifetime achievements with multiple, associated inventions over a period of time which showed strong commercialization.
 2. Full copy of most significant United States patent which the nominee is being considered MUST be attached and which was, or is, in force and made available to the public at large. Related patents may be listed by patent number and date of issuance.
 - 3 Living or deceased “recognized luminary”
 4. Only one of multiple nominees of the considered patent need to complete the nomination form. The co-inventors need only to supply their personal data.
2. **Inventor of the Year** (six awards maximum per year)
 1. Invention MUST be within 20 years from the date of USPTO application.
 2. Full copy of significant United States patent which the nominee is being considered MUST be attached.
 3. Invention is commercialized.
 4. Living inventor.
3. **Special Awards** (three awards maximum per year)
 1. Such as: Cultural Impact/Enduring Popularity (ex. golf tee, ice cream cone), Young Inventor, Small Business Inventor
 2. Inventor MUST have been awarded a USPTO patent.
 3. Invention is, or was, commercialized.
 4. Living or deceased inventor.
4. **Innovators Award** (three awards maximum per year)
 1. Patent not required.
 2. Conceptual idea, theory, chart, mathematical formula or the like.
 3. Significant scientific achievement(s)
 4. Living or deceased innovator.
5. **Graduate Student Award** (three awards maximum per year)
 1. Current graduate student or graduate student of the previous year.
 2. Recognition for “Participating in the Invention Process.”
 3. Patent not required, with emphasis on thesis work.
 4. Nominee typically nominated by the sponsor professor.
6. **Corporate Award** (one annually) – at www.njinvent.org click on “About Us” link and then “Corporate Inductees”
7. **Advancement of Invention Award** (one annually) – at www.njinvent.org click on “About Us” and then “Invention Advancement”

The Selection Committee shall have, with approval of the NJIHoF Board of Trustees, the sole right to judge, approve and reassign to another category any nominations they deem necessary.
